Dear Applicant,

Rebuilding Together Quad Cities, a 501(c)(3) non-profit organization, believes in a **safe and healthy home for every person**. We bring volunteers and communities together to improve the homes and lives of low-income, elderly, disabled, and veteran homeowners at no cost to the homeowner. All materials and labor are donated or paid for through donations received from generous individuals, companies, and foundations throughout our community.

Most of Rebuilding Together Quad Cities work happens during National Rebuilding Month (April) and during our annual Fall Work Day. Subject to availability of funding and appropriately skilled volunteers, projects are also considered throughout the year.

Since most of our projects are one day projects, major structural repairs usually are generally not possible. Further, Rebuilding Together Quad Cities does not work on mobile homes, roofs, or projects requiring lead paint abatement.

To be considered for the program, complete the form and return it to Rebuilding Together Quad Cities as soon as possible. You must own and live in your own home and you must meet all eligibility criteria. Homes will be selected on the basis of greatest need, the availability of funding and the ability of Rebuilding Together volunteers to accomplish the needed repairs.

You will be notified in writing whether or not your home was selected for one of our projects.

If you have any questions, please call our office at 563-322-6534 or email us at [rebuilding@rebuildingtogetherquadcities.org](mailto:rebuilding@rebuildingtogetherquadcities.org).

Sincerely,

Rod Jennings  
Executive Director
